telephone [redacted] was interviewed by Special Agents (SAs) [redacted] and [redacted] who identified themselves to [redacted] as Special Agents of the Federal Bureau of Investigation (FBI). At the outset of this interview, [redacted] was advised by SA [redacted] that he was being interviewed regarding the possible threatening letters sent by him to Judges Nicholas J. Bua and Milton I. Shadur.

[redacted] was shown the original of a letter he addressed to Nicholas J. Bua with the date of June 19, 1982 and started out with the following: "Why I want to become a mass murderer...."

[redacted] was further shown a copy of a letter he addressed to Milton I. Shadur with the date of June 18, 1982 and started out with the following: [redacted] vs AAOs Judge Shadur, I am alone in this. I said it...."

[redacted] stated that he did in fact send the above mentioned letters to the two Federal Judges because of their dismissing his suit brought against his former employer as being without cause.

[redacted] was asked about his sentence on page 3 in the letter addressed to Nicholas J. Bua which stated "That's why I want to murder you"....and advised he does not consider this a threat. [redacted] stated a threat to him is when a person actually goes out and kills somebody.

[redacted] was advised that sending threatening letters to Federal Judges is a crime and to cease. [redacted] was further advised of the penalty regarding this matter and replied he is unemployed and will get food, shelter, and clothing for nothing so that is not to bad.

[redacted] stated he does not drink nor does he own any firearms. [redacted] was advised he will be watched very closely because of these letters.
